Impact/Assessment

Most Children will: • know that *un arrondissement* is an administrative district in Paris. • know that *La Poste* is the name of the public postal service company in France, similar to Royal Mail in the UK; *une poste/la poste* is also the name of the post office in the local community. • know that the main colour of the French postal service is yellow, symbolising speed and light. • know that the **Gare du Nord**, Paris, is the station for trains between France and the United Kingdom • join in singing an action song such as *Meunier, tu dors*. • create a compound sentence with a coordinating conjunction

Less Able Children will: • can ask questions that include the conjunction. • know that an ordinal number tells the position of something in a list, such as 1st, 2nd, 3rd, 4th, 5th • listen to a story such as *Dix pour une galette*. • find out what facilities there are in a town

More Able Children will: • an 'e' is added to the end of an adjective, to make it agree with a feminine noun, the preceding letter will now be sounded out, if it was a previously silent (final) consonant, e.g. *petite, grande*. • recite a rhyme such as *Trois crêpes*.
